

People, Culture, Skills - 1 Year On

Our Individuals

We made a commitment to support people looking to enter the sector and those already working in it to offer a great experience.

1,000

young people engaged through 15 events/talks/fairs as part of IAG careers.

199

individuals supported through courses, workshops or bite-size learning opportunities

34

young leaders have been supported with training and further opportunities.

Our Jobs and Opportunities

We have worked to create clearer pathways into the sector and give better IAG about the jobs and opportunities.

Active Essex website jobs page advertises opportunities.

79 jobs uploaded by partners since July 2022

11,235 unique page views since July 2022

Sport and physical activity opportunities are now highlighted on the Essex Opportunities webpage [here](#).

5,000

careers magazines have been distributed, and viewed online [here](#).

We delivered a Sport & Physical Activity 'Learn Live' event, as part of a new broadcast series, showcasing employment and training opportunities across Essex. Watch the recording [here](#).

2

Curriculum Review Stakeholder events have taken place at Writtle University College and Chelmsford College.

Our Sector

We have worked hard to raise the profile of the sector:

The Skills Advisory Panel offers great knowledge and influence, raising the profile, driving improvement, and shaping the direction.

Influenced Essex Skills Plan & Local Skills Improvement Plan to take sport and physical activity into consideration.

Built stronger relationships with skills and employability colleagues.

CIMSPA supported a refreshed Data Pack, which highlights latest labour market data for Essex.

Our Organisations

We have invested in building capacity for local organisations to give them time and skills to develop and improve, helping them to thrive.

9

organisations have completed phase 1 the OD (Organisational Development) Programme.

92

Essex ActivAte organisations have completed a lite version of the OD Programme.

OD Programme Phase 2 will launch September 2023, with at least 15 organisations taking part.

Where did we start?

Watch our video [here](#), to see where we started our journey
